Referral & Reports

Using the correct completed & stamped referral template, Fax to 0208 744 9801.

Once the scan has been performed and reported we aim to fax this to the referring GP within 48 hours.

Waiting Times

We aim to scan patients within four weeks of referral.

Children & Wheelchair Access

Children are NOT admitted to the ultrasound room, and we do NOT have sufficient staff here to look after them while scans are performed. Our scanning room is NOT accessible for wheelchair users.

DNA Policy

Patients who do not attend their appointments will NOT be offered another appointment and their referral will be sent back to the referring GP.
